Applying boat name graphics, Number 53, March 2007
Making a thread grabber, Number 53, March 2007
Dealing with current, Number 53, March 2007
Three ways to fix dodger windows, Number 53, March 2007

Simple solutions

Make your own valve-spring compressor, Number 8, Sept. 1999
Making a hard-bottom inflatable for less than \$600, Number 15, Nov. 2000
Dodger handholds, Number 17, Mar. 2001
Make your own lazy-jacks, Number 19, July 2001
Converting small bunks to big ones, Number 19, July 2001
Breakproof tillers, Number 21, Nov. 2001
Wedging the mast, Number 21, Nov. 2001
Decimals to fractions, Number 22, Jan. 2002
A hurricane-proof mooring, a dockside shop, defeating hatch drips, Number 22, Jan. 2002
Threading a line through the mast, Number 23, Mar. 2002
Keeping the birds off your boat, raising the waterline, Number 24, May 2002
Single-line docking, check those vents, Number 25, July 2002
Instant chart plotter, guardian angel, custom rubbing strakes, Number 26, Sept. 2002
Mast climbing, finding extra space, lashing the tiller, Number 27, Nov. 2002
Folding a bike, heaving to, Number 28, Jan. 2003
Advanced swigging, adding deck vents, Number 29, Mar. 2003
Anchor rode bag, creating "faux bronze," Number 30, May 2003
Ventilated shelves, gastronavigation, a composting head, Number 31, July 2003
Accessible bilge pump, shower solution, plotting tools, Number 32, September, 2003
Winch power, update on Trex, exhaust blowout, Number 33, November, 2003
Armored portlights, Vern's hatch improvement, Number 34, January, 2004
Deck repair, automatic fog horn, Number 35, March, 2004
Screen bags, simply clean, Number 36, May 2004
Springing the rode, electrical tips, fixing leaky ports, trailer tongue extender, Number 37, July 2004
Winter cover, Concordia seatbacks, navigation instruments to make yourself, Number 38, September 2004
Delamination repair, extra counter space, handy new tool: Clamptite, Number 39, November 2004
Winch switch meltdown, knife with the curious handle, dinghy keel extension, Number 40, January 2005
Split-rail fence, toggle hitch, engine soundproofing, Number 41, March 2005
Better mast step, digital marketplace, Number 42, May 2005
Quick quillows, compression brace, Number 43, July 2005
Reliable electrical connectors, Number 44, September 2005
New cockpit hatch, bow sculling, Number 45, November 2005
Kedging and warping, Number 46, January 2006
Le Tonkinois, bilge pump cycle counter, mast winch handle holder, Number 47, March 2006
New sun cover for a roller furler, the admiralty hitch, Number 48, May 2006
Build your own cradle, downsized outboard, Number 49, July 2006
Heaving line, faux fridge, Number 50, September 2006
Securing fastenings, better bilge access, Number 51, November 2006
Lifeline cushions, restoring luster to your deck, Number 52, January 2007
Condensation control, Number 53, March 2007

Quick and easy

Windscoop, freshwater engine flush, and whisker pole chocks, Number 13, July 2000
Awning, salvaging a rusty anchor, and a stowable dining table, Number 14, Sept. 2000
Companionway hatch screens, companionway hatches, Number 15, Nov. 2000
Dinghy rack, toilet seat hinge saver, oar refit, Number 16, Jan. 2001
Dockside air conditioning, anchoring without a centerline cleat, port latches, Number 17, Mar. 2001
Fiddle rope. mast leak. windless sailing. brass sea rail. Number 18. May 2001

Forward hatch ventilation, freeing stuck valves, enlarging the cockpit table, using a bosun's chair for climbing aboard, Number 19, July 2001
Hatch improvements, a makeshift cutting tool, Number 20, Sept. 2001
Oarlocks, oar holders, leaky engine hatch gaskets and portlights, lid holder system, Number 21, Nov. 2001
Anchors aweigh, clay saves the day, spare tiller, companionway cutting board, Number 22, Jan. 2002
Holding tank gauge, removing a frozen hose, solar cockpit lights, Number 23, Mar. 2002
Inexpensive telltale, overboard ladder, rubrail insert, Number 24, May 2002
Chock treatment, nearly foul-proof cleats, beware of white, tender control, shorepower cover, Number 25, July 2002
Using a fenderboard, sail covers, Number 26, Sept. 2002
Engine jack, fender covers, good goo, dodger window replacement, Number 27, Nov. 2002
Make a boarding gate, removable taillight assembly, Number 28, January 2003
Ditch kits, ice boxes, soda blasting hulls, Number 29, Mar. 2003
Outboard motor hoist, Some favorites: Weems & Plath GPS Plotter, Boye Boat Knife, and Weekend'R Deluxe bags, Number 30, May 2003
Custom GPS mount, double-duty divider, runaway plug, cruising trashcans, Number 31, July 2003
Emergency starting button, hard-body winch covers, handyman's handbag, Number 32, September, 2003
Making fast, fixing leaks, using your noodle, reeving a new halyard, Number 33, November, 2003
Toolkit, LED light, Number 34, January, 2004
Unseen hazard, impeller access, fixing plastic scratches, making a jib downhaul, Number 35, March, 2004
Boxed lunch, easier haul-outs, improved spigots, bung trick, Number 36, May 2004
Dripless ice, clever mounting for a gimballed light, Number 37, July 2004
Boltropes and tracks, air filter for vacuum dust, Number 38, September 2004
Got chamois?, hot melt solution, rail mounts for solar panels, Number 39, November 2004
Hatch screen, adding a shower, Number 41, March 2005
Traditional boathook, special needs boat card, Number 42, May 2005
Extra storage, knife block, concentric holes, double fenders, pushpit rail, Number 43, July 2005
Vehicle recovery strap, bolster cushion storage, cure for mast rattle, Number 44, September 2005
Relocating auxiliary controls, Number 45, November 2005
New cushion covers, high bilge warning, GPS holder, Number 46, January 2006
Helping hand on the tiller, bagging fruit flies, sheared stud success, repelling no-see-ums, Number 47, March 2006
Tires as fenders, spreader guards, SplicingNut, Number 48, May 2006
Curing anchor line chafe, tool leash, halyard chocks, Number 49, July 2006
Disk stowage, furler fixer, protection from the elements, extra seat, forgotten knot, Number 50, September 2006
Stowaway rubrail, dinghy roller, temporary diesel tank, furling by the colors, Number 51, November 2006
New quick-release stopper knot, Toffypegs, rust-free tools, Number 52, January 2007
Extending boathook, Professional Rigger's Gauge, slippery trailer tongue, nautical paper-towel holder, Number 53, March 2007
